Parent Concern Resolution Process

At ¡HOLA! Elementary, we believe concerns are best resolved through open communication and collaboration. We encourage families to follow the steps below so concerns can be addressed promptly and fairly.

Step 1 – Speak with the Teacher or Staff Member

Most questions or concerns can be resolved by communicating directly with your child's teacher or the appropriate staff member.

Step 2 – Contact School Administration

If additional assistance is needed, our Administrative Team will work with you to identify solutions and help resolve the concern.

Ms. Mariela Carrillo
Administrative Team
Phone: 941-842-HOLA (4652), Ext. 5109

If you wish to contact the Governing Board or request to address the Board, please contact Ms. Carrillo, who will assist you with the process.

Step 3 – School District Review

If the Administration is unable to resolve the concern within seven (7) days of the complaint, the matter will be referred to the School District. ¡HOLA! Elementary will cooperate fully with the district's complaint resolution procedures and comply with the district's decision.

Step 4 – Florida Department of Education

If the concern is not resolved at the district level within thirty (30) days, parents may request that the Florida Department of Education appoint a Special Magistrate to conduct a hearing and provide a recommended decision to the State Board of Education.

Our Commitment

We value our partnership with families and are committed to listening, communicating openly, and working together to resolve concerns in the best interest of every student.
